19th Annual Art in the Park at Dinosaur Caves: 2023 Guidelines and Regulations

Keep this: Do not mail it with your application!

Thank you for participating in Art in the Park at Dinosaur Caves! I want you to feel prepared and informed to avoid any complications on the day of the event.

City/County Regulations

1) **Securing materials**

Pismo Beach Park and Recreation prohibits using stakes to secure your canopy. We suggest bringing something like weights, sandbags or cement-filled buckets to hold down your canopy or umbrella. There is always a possibility of strong winds at the beach.

2) **Pismo Beach Special Event Business License**

You must have this license to sell in Pismo Beach. Send your license number as soon as you receive it.

3) **No vehicle access in the park**

There is no vehicle entry into the park. All vendors must unload along Cliff Ave. There is one sidewalk into the park. It is strongly recommended you bring a dolly or large-wheeled wagon for transporting your items into the park.

4) **Food vendors**

All food vendors must comply with the SLO County Environmental Health Department regulations. A SLO County Health Permit is required. Please contact the SLO County Health Department at 805-781-5514 for questions regarding permits and booth requirements. Food prices must be posted.

5) **Fire Safety**

All vendors with canopies must have a type 2a,10bc fire extinguisher. **Food vendors** must have a type 3a,40bc and a type K if hot oil is used. New fire extinguishers must have the receipt attached. Make sure your older fire extinguisher has been inspected and has a current year yellow tag attached. **Please see our website for the complete letter from the Fire Captain.**

Art in the Park Guidelines

1) **Spaces**

Your space is 10' by 10'. There will be approximately 4' between each vendor space to allow customer access to three sides of your booth. Vendors must bring their own canopies, tables, chairs, signage, anchoring devices, etc.

2) **Set-up**

Set-up is between 8:00 am and 10:00am. *We are not allowed into the park until 8:00 am.* The park is located in a residential area and we must respect the neighbor's expectation of a quiet morning. All vendors must be set up and vehicles removed from Cliff Ave. by 9:30 am.

Everyone please use side streets to park that includes trailers on Cliff Ave.

3) **Clean-up**

Clean-up is between 4 pm – 6 pm or 3:30 pm – 5:30 pm per selected months. All artists and vendors must wait until 4 pm or 3:30 pm to start breaking down booths per selected months. Please clean your area of zip-ties and all other trash. We have a dumpster by the main entry. Please pack out any large items you bring into the park.

4) **Electricity**

No electricity is available at the event. If you need electricity, you may bring your own quiet, "whisper" type generator.

5) **Space location**

All vendors are assigned a location and each spot is numbered to simplify the set-up process. A vendor map will be sent out several days before the event. A map will be posted near the sidewalk entrance for you and as a courtesy to customers looking for you. Spaces are assigned as payment comes in. Longevity and the number of events done each season helps determine your location.

6) **Parking**

There is **NO PARKING** along Cliff Ave. for **vendors**. It is accessible for unloading between 8:00 am and 9:30 am. It is accessible for loading between 4:00 pm and 6:00 or 3:30pm – 5:30pm per selected months.

Cliff Avenue is for customer parking. ****Vendors must move vehicles out into the neighborhood as soon as vehicles are unloaded in the morning.** Finish set up after your vehicle is moved.

****Parking is available in the neighborhood on side streets. Please DO NOT BLOCK DRIVEWAYS or park in the roadway. Please be respectful and be courteous to those living in this community.

Thank you for your support. If you have questions, please call me at 805-395-0582

Looking forward to a great season with you!
